- **Download entire folders to your device** to use when you are offline by clicking this icon. You can also generate a link to share directly with your customers.
- Please note, download speeds will vary depending on your WiFi strength, or data plan.

TROUBLESHOOTING

- **I forgot my password and can't access my account.**
 - Use the Forgot Password link to reset your password at any time. You will receive an email to reset it. Once reset, you can immediately login to the app.
- **My app won't download any files.**
 - Please allow time for the files to download. If you are on a slow WiFi connection, the download will take time. Make sure that you leave the app OPEN to finish any download.
 - If the download does not complete, please contact Katzkin and let us know which files were causing the problem.
